*cost for cartridge replacement on Water 4 Life program.

**cost for replacement cartridge with shipping and handling charges and battery cost when applicable.

All pricing information and performance data were acquired from national retailers, product manufacturers and/or promotional literature, and may vary slightly in certain areas.

Aquasana represents the very highest value of any home water treatment system, we guarantee it!
Even the lower cost/ less effective systems, cost you more by the end of the first year due to higher per gallon costs.
