2. The Warm, Comfortable Thermal Feeling.
3. Electronically Controlled & Contains Safety Feature.
4. Simple to Operate.
5. Small and Portable.
6. A Wider, 160 Degree Heating Surface.

ENJOY THE WARM,
COMFORTABLE FEELING IN YOUR OWN HOME!

Chi Machine®

No 1 Selling Chi Machine In The World

The Chi Machine® Therapeutic Massager is the culmination of 38 years of research and development by Dr. Shizuo Inoue, a medical visionary and the developer of the world renowned Chi Machine.

The Chi Machine® Therapeutic Massager helps virtually anyone locally relax muscles with little or no conscious effort. Simply just lie down on your back with both feet placed on the specially designed footrest. The Chi Machine® rocks the entire body from side to side in a gentle undulating motion.

SPECIAL FEATURES:

1. Whole body exercise without any side effects.
2. Simply just lie down on your back and relax.
3. Completely safe and no stress to bodily structures.
4. Easy to use and carry.

The Benefits of a Therapeutic Massager

- Temporarily relieves minor muscle aches, pains and tension caused by fatigue or overexertion.
- Locally relaxes muscles.
